HERKIMER COLLEGE'S PRESTIGIOUS CRIMINAL JUSTICE AND LAW PROGRAMS ARE DESIGNED TO EQUIP YOU WITH THE KNOWLEDGE AND SKILLS NEEDED TO MAKE A LASTING IMPACT.

We offer a diverse range of degree and certificate programs both on campus and online, providing flexibility in how you pursue your education.

Through personalized instruction and meaningful practical experiences, you will be well-prepared to enter this dynamic field.

Our state-of-the-art tools and software will further enhance your learning experience, ensuring that you stay abreast of the latest advancements in the industry.

“The program helped us prepare for over 50 different topics and situations that we will encounter as officers. This opportunity to experience everything from day-to-day activities to the most stressful of situations is really rewarding.”

– Meagan C. Bedell '19,
Pre-Employment Police Basic Training

Crime & Intelligence Analysis A.A.S.*

Develop research and analytical skills to be used in crime analysis or intelligence for criminal justice agencies. Explore crime analysis and intelligence theories. Build your analytical, writing, and team management skills. Collect and analyze data to forecast criminal profiles to solve crimes and predict future crimes.

Criminal Justice A.A.S.*

Prepare for careers in law enforcement, criminal investigation, probation, parole, and similar fields.

Criminal Justice A.S.*

Build on a solid foundation of required courses in law, criminology, criminal justice, and private security. Prepare for transfer into a criminal justice program or related social science discipline at a four-year college or university. Transfer agreements ensure a smooth transition with junior status and are in place with St. John Fisher, Norwich University, Buffalo State University, SUNY Canton, SUNY Delhi, SUNY Potsdam, and more.

Cybersecurity & Digital Forensics A.S.*

Cybersecurity is a growing career field, and there's an ever-increasing need for skilled professionals. Career opportunities abound in numerous industries.

A bachelor's degree is expected in most entry-level cybersecurity positions, which start between \$42,780 and \$69,760 a year. Herkimer grads are well-prepared to enter a bachelor's degree program in cybersecurity at colleges such as Buffalo State University, SUNY Canton, SUNY Delhi, Utica University, Charter Oak State College, and Excelsior College.

Emergency Management Certificate **

This online, one-year certificate program provides contemporary knowledge and expertise to lead, manage, or support disaster mitigation, preparedness, response, and recovery. Transfer up to 18 credits toward the online Emergency Services B.S. degree offered by Embry-Riddle's Worldwide Campus.

*Program is offered both on campus and online.

**Some courses are offered only online.

Forensic Investigations A.A.S.

Prepare for entry into public law enforcement and private investigative fields. Gain a fundamental understanding of processing a crime scene. You may choose to enter the workforce directly or transfer to a four-year college or university to continue your education.

Legal Studies A.A.S.*

Prepare for positions in law offices, state and local government agencies, and other institutions requiring employees with legal training.

Paralegal Studies Certificate*

Prepare to work as a paralegal or legal assistant with core legal knowledge in such areas as torts, property/real estate law, contracts, wills/trusts/estates, legal research and writing, civil procedure and litigation, and criminal/family law.

Pre-Employment Police Basic Training

This first phase of police training is open to civilians and sworn police officers as an alternative to the conventional Basic Course for Police Officers. The 10-month program prepares students for a career as a police officer prior to being hired by a law enforcement agency.

Our College is unique in offering a state-of-the-art Law Enforcement Training Center featuring the VirTra® system. This virtual reality training is designed to help officers respond to active shooter, domestic violence, and other high-stress situations.

Herkimer College is the pioneer of online learning, offering the premier two-year SUNY experience whenever and wherever works for you.

Several of our criminal justice programs may be completed entirely online. We offer the same level of care and service to online students as we do to those on campus.

Take the first step toward a rewarding career in public service.

“The Cybersecurity and Digital Forensics program is different than other community college programs because we really focus on the criminal justice aspect of cybersecurity. Our focus is on computer forensics and solving incidents/ crimes after they occur. The cyber courses are 95% hands-on and give students access to real-world tools that they’ll use in the field.”

– April Harris, Associate Professor,
Criminal Justice & Cybersecurity

“The professors here are beyond amazing. They’ve made sure that not only will I succeed, but also that I understand the material. I’m going to miss every professor I’ve had because they all taught me something new.”

– Kyle Poulos '23 (Criminal Justice A.A.S.), pursuing a bachelor’s degree in Criminal Justice at Buffalo State University
