**To determine your final exam time and date, follow the instructions below:**

1. Look in the table to find the combination that contains both the days your class meets and time your class starts.  
(**TR** = Tuesday and Thursday; **MWF** = Monday, Wednesday, and Friday)
2. In the shaded area at the top of the table are the **exam dates**. The shaded area at the right of the table are the **exam times**.

**Note: The final exam room is the same as the class meeting room.**
