CERTIFICATE OF RESIDENCE

To verify your residence from your home county, a Certificate of Residence form is required from every New York State student annually. Students not supplying this form are subject to paying at the higher out-of-state rate.

COLLEGE ID

It is the responsibility of each student to obtain an official Herkimer College ID (RMCC 254). The ID needs to be carried at all times on campus and at off-campus college events. Students are required to present the ID as requested by college officials. The ID may also be used for General's Cash Card purchases, library use and to allow admission to college sponsored events. If a student withdraws or is dismissed from the College, their ID should be returned to the Dean of Students Office. The first ID is free and will be used throughout your time at Herkimer College. Replacement ID's are \$15 each.

CREDIT CARD POLICY

Pursuant to New York State Education Law 6437 (Regulation by Colleges of Conduct on Campuses and Other College Property Used for Educational Purposes) the advertising, marketing or merchandising of credit cards to students is prohibited on the campus of Herkimer College.

EMERGENCY CLOSING OR DELAY ANNOUNCEMENT

The College President, or designee, is responsible for the decision to delay opening or declare the College closed because of weather, utilities interruption or other emergencies. A decision will be based on the best information possible from weather notices, physical conditions on campus, and routes over which students, staff and faculty travel. Every effort will be made to keep the College open, but should a delay or closing occur, the following applies: Instructional time lost because of emergency closings will be made up, for day and evening students, prior to the end of the semester in which it occurs. The schedule of make-up days will be determined as soon as possible after classes are resumed. Make-up days may include Saturdays and/or elimination of scheduled holiday closings.

Delayed opening: will always indicate an opening time (i.e. The College will open at noon) to eliminate confusion. **Please understand**, if the College opens at 12 p.m. (noon), faculty and students should be at their first class that day which has a start time closest to noon **but not preceding** noon (i.e. not a class with an 11:45 a.m. start time, but any class starting from noon on).

The College will be closed: means that employees and students will not be required to report to campus. The decision to delay opening or close the campus will be communicated to employees and students via email and posted on the homepage of the college website. Additionally, local media outlets will be notified. Notification does not

guarantee that they will air or publish the notice. Additionally, employees and students may subscribe to receive text alerts by texting “closings” to 34166. To unsubscribe, text “stop.”

EMERGENCY TELEPHONE CALLS

The College will only notify students of personal telephone calls received that deal with serious emergencies or death. For questions, contact the Dean of Student/Director of Athletics at 315.574.4009.

New York State Law requires that students who are on campus 6 (six) credits or more need to have proof of having received 2 MMRs (Measles, Mumps & Rubella) vaccines. This law applies to all students born after January 1, 1957.

A Public Health Law effective August 15, 2003 makes it mandatory for ALL college students taking 6 or more credits on campus to receive information about Meningitis disease and vaccine. ALL students must have a record of having received the vaccine within the last 5 (five) years OR sign a waiver declining the vaccine.

ALL students will have 30 days from the first day of school to comply with the immunization requirements. Holds will be placed on your student account until these requirements are met. This means that no transactions can be made on your student account – i.e.: dropping/adding classes, financial refunds, etc. A copy of an official record (such as a high school or military record) must be submitted. You may be required to submit an authorization form for those records to be released to Herkimer College.

Replacement costs plus a processing fee may be charged for lost or damaged materials. Each person is responsible for all material taken out on their ID. Reserve items can be used in the Library only and also require a current official College ID. Grades may be withheld and graduation may be barred until all Library obligations are met. Do not lend your card to a friend! You can contact the Library at 315.574.4007 or by email at berowskfj@herkimer.edu.

STUDENT ACCOUNTS OFFICE

The Student Accounts Office is located in RMCC 216 and is responsible for student tuition and fee billings and collections, financial aid disbursements and certificate of residency forms. All students must provide a Certificate of Residence Form (Form B-81) from their home county on or prior to the first day of classes each academic year in order to avoid being charged additional tuition. For more information, contact the Student Accounts Office at 315.574.4018.

SECTION III: ACADEMIC INFORMATION, STANDARDS AND REGULATIONS

ACADEMIC REQUIREMENTS FOR DEGREES AND CERTIFICATES

1. Satisfactory completion of the minimum number of credits and courses required by the specific program. The student is responsible for registering for the proper courses and for fulfilling all degree requirements as outlined herein.
2. The earning of a 2.00 cumulative grade point average (GPA).
3. Payment of all financial obligations
4. Submission of a Graduation Application in the semester prior to the graduation semester, once registration for the graduating semester is completed. Should a student fail to submit a Graduation Application, yet still complete the above requirements, they will be certified as a graduate, but will not be mailed their diploma.

The College holds formal graduation ceremonies once a year at the end of the spring semester. Students completing requirements at times other than the spring semester will be mailed their diplomas according to the schedule listed on the graduation application.

SATISFACTORY ACADEMIC PROGRESS AND STATUS

A student is considered to be making academic progress if he/she maintains a GPA of 2.0 or higher. A student's academic status is determined by the student's cumulative GPA AND/OR the number of credit hours earned compared on the number of credit hours attempted on the chart in page 152 of the College Catalog.

GRADING SYSTEM

The following is the official college grading system, based upon comparison with other students in the course or students who have taken the course previously.

Letter Grade	Quality Points	Quality Range
A+, A	4.0	Superior mastery of facts and principles; clear evidence that stated course objectives and requirements were met by the student
A-	3.7	
B+	3.3	Above average mastery of facts and principles;
B	3.0	evidence that stated course objectives and
B-	2.7	requirements were met by the student
C+	2.3	Average mastery of facts and principles; some
C	2.0	evidence that stated course objectives and
C-		requirements were met by the student
D+	1.3	Little mastery of facts and principles; acceptable
D	1.0	evidence that stated course objectives and
D-	0.7	requirements were met by the student
F	0.0	No mastery of facts and principles; little evidence that stated course objectives and requirements were met by the student
*		A grade with an * indicates a course below 100 level; (below college level) grades are not calculated in the GPA and credit does not apply towards graduation
AW		Administrative Withdrawal
AF		Administrative Failure
I		Incomplete
WM		Medical Withdrawal
W		Withdrawn
P		Satisfactory completion of a required course
S		Satisfactory completion of a non-credit course
U		Unsatisfactory
Z		Given to students who officially register for a course but who never attended. This grade is equivalent to an "F"
TR		Transfer credit
CBE		Credit by Examination

In computing averages for all students, only grades earned at the College are considered. A student must maintain a 2.0 cumulative GPA in order to qualify for graduation. If, at the end of any semester, a student is deficient in quality points or credit hours earned, they may be placed on Academic Review or Academic Restriction or may be considered for dismissal, depending on the extent of the deficiency. A student on Academic Restriction who does not overcome quality point or credits completed deficiency at the end of the next semester will be considered for dismissal. A student on Academic Review may not carry, during the next semester in attendance, more than the normal number of credit hours for that curriculum. A student may also be required to take a reduced load.

The College reserves the right to withdraw, suspend or dismiss any student whose academic standing, conduct or attendance is unsatisfactory.

COMPUTATION OF QUALITY POINTS AND AVERAGE

To determine the quality point average, multiply the quality point value of each grade by the credits designated by each course, then divide the total quality points by the number of credit hours.

Example:

COURSE	GRADE	CREDITS	QUALITY POINTS
English	A	3	12.0
History	C+	3	6.9
Art	C-	3	5.1
Science	B+	3	9.9
Elective	B	3	9.0
2.86 GPA		15	42.9

ACADEMIC REVIEW

Academic Review is determined when a student’s cumulative GPA does not meet the minimum requirement and/or the student does not earn the minimum credits to demonstrate academic progress.

A student placed on Academic Review will be notified of their academic standing when grades are processed at the end of the term. Students on Academic Review will be contacted by the Advisement Center to develop/revise their schedule for the next term to repeat courses in which the student received F or Z grades. A student placed on Academic Review may have constraints placed on their schedule and/or activities and will be required to take steps designated to improve their academic progress.

ACADEMIC RESTRICTION

A student who does not meet minimum academic standards in their first term OR after a prior term of Good Standing or Academic Review will be placed on Academic Restriction. Students will be notified of their academic standing when grades are processed at the end of the term and will be required to takes steps designed to improve their academic progress. This may include revision of their schedule for the next term to repeat courses in which the student received F or Z grades; credit restrictions and/or other constraints placed on their schedule and/or campus activities.

ACADEMIC DISMISSAL

A student who does not meet minimum academic standards after a prior term of Academic Restriction will be placed on Academic Dismissal. Students on Academic Dismissal will be notified of their status and the appeal requirement when grades are processed at the end of the term. Eligibility for Financial Aid will be affected.

ACADEMIC APPEALS AND CHANGING GRADES

Students have the option of appealing a grade at the end of the semester if they feel there is an error.

- Step 1. Appeals of grades received for a spring or summer semester must begin by October 15 of the following fall semester. Appeals of grades received for a fall or winter semester must begin by March 1 of the following spring semester.
- Step 2. Students must first consult with the instructor who gave the grade. (If the instructor is unavailable, students appeal directly to the Dean of Academic Affairs.)
- Step 3. If the appeal with the instructor is unsatisfactory to the student, she/he may appeal to the Dean of Academic Affairs.
- Step 4. If the appeal with the Dean of Academic Affairs is unsatisfactory to the student, she/he may appeal to the Provost.

Step 5. Appeals noted in (3) and (4) above must be initiated before the end of the semester in which the process commenced.

The Student Complaint form can be located at www.herkimer.edu/complaint and by selecting Academics as the complaint area.

ACADEMIC COMPLAINT RESOLUTION PROCEDURE

Should a student have a complaint concerning academics, the College provides the following procedure:

- Step 1: The student should consult the faculty or staff member with whom they are experiencing the difficulty. If the problem is not resolved, the student can proceed to Step 2.
- Step 2: The student should complete the Student Complaint Resolution Form located at www.herkimer.edu/complaint selecting Academics as complaint area.

ACADEMIC INTEGRITY

The maintenance of academic integrity is the responsibility of both faculty and students. Current and prospective students are expected to adhere to the values of intellectual and academic honesty and integrity. Academic dishonesty is a violation of the Student Code of Conduct. Any charge of academic dishonesty shall be substantiated by the preponderance of the evidence.

Definition:

Academic dishonesty describes a wide range of behaviors to include, but are not limited to...

1. Cheating-Intentionally using unauthorized materials, information or study aids in any work submitted (e.g. copying another's work during a test or assignment, collaborating with others on an assignment without the instructor's permission, using crib notes.)
2. Plagiarism-Deliberately reproducing or adopting ideas, works or statements of another person as one's own without acknowledgement (e.g. paraphrasing or summarizing a source without proper citation, turning in a paper written by another person, buying a paper from a commercial source, failing to properly attribute quotations within a paper or submitting the same paper for credit in more than one course without the instructor's permission).
3. Fabrication-Intentionally falsifying or misrepresenting information derived from another source in an assignment (e.g. citing a source that doesn't exist, citing information from a source that does not contain the information, intentionally distorting or inventing data, statistical results, or their meaning).
4. Other Academic Misconduct-Includes but is not limited to such actions as planning with another to commit an act of academic dishonesty, inappropriately providing or receiving information or academic work to gain an unauthorized or unfair advantage over others (e.g. stealing, buying, selling, or otherwise obtaining all or part of a test or assignment, allowing another person to access and complete required online work).

Procedure:

1. The Faculty member will review the evidence to ensure it is sufficient to warrant a charge of academic dishonesty.
2. The faculty member will contact the student regarding the incident. If the student is unable to satisfactorily explain the discrepancies, the faculty member will collect/acquire any additional evidence of the incident.
3. The faculty member will report suspected incidents to the appropriate Dean. (The College reserves the right to require students to come to campus to complete verification of the authenticity of any work submitted online or in the classroom).

Consequences for academic dishonesty are enacted at the discretion of the instructor and may include the following...

- failing the test, assignment, or paper
- failing the course (course failures must be approved by the Dean of Academic Affairs).

Any action taken by the instructor must be clearly communicated to the student and reported in writing to the Associate Dean and the Provost.

Students should refer to the instructor's course syllabus for additional details regarding specific course policies.

Appeals:

If a student disputes the facts constituting evidence of the infraction, a written appeal may be filed with the divisional Dean within 30 calendar days of the consequences being communicated by the faculty member. The divisional Dean will then convene an ad hoc Appeal Board consisting of two faculty members. If the course in question is online, the Associate Dean of Academic Affairs may also be included.

If either the student or the faculty member disputes the decision of the Appeal Board, and has new evidence bearing on the case, they may submit an additional written appeal to the Chief Academic Officer (or his/her designee) within one year after alleged infraction took place. The decision of the Provost shall be considered final and binding on all parties.

ACADEMIC HONORS PROGRAMS

Herkimer College's Honors Program provides qualified students with additional opportunities to expand their intellectual and artistic growth and to enrich their individual skills and abilities. The program promotes Herkimer College's commitment to the pursuit of academic excellence and is available to students in all curricula, both in person and online. Students who successfully complete the Honors Program are given special recognition by the College at graduation. Students in the Honors Program also meet periodically to attend cultural functions, lectures, and to participate in other enriching events.

The Honors Program enables students who are enrolled full -time to work on an independent project in one-credit courses during two different semesters. The student selects the course in which they want to work independently, and the project is designed by the instructor of the course and the student. During the fourth semester (spring), students must enroll in a required Honors Seminar course. This is a nontraditional, inter-disciplinary course that provides students with an opportunity to use a variety of higher-level learning techniques and to interact with other students who excel academically. Students in the Honors Program also meet periodically to attend cultural functions and to discuss special topics.

The following requirements should be noted by all students interested in the program:

1. Students who enter college need a high school average of 88 to be eligible for the special section of First-Year Student Seminar Honors (FS101). This section will augment the study of the topics by incorporating selected readings and other supporting material. Students will be nurtured for the Honors Program and counseled for entry into the program; this is not a required course to gain acceptance into the Program.
2. Invitation letters to join the Honors Program will be sent to all students obtaining at least a 3.5 average each semester, as well as to students who transfer in with at least a 3.5 average.
3. Applications will be evaluated by a reviewing committee to determine if the student will be accepted into the program. All applicants will be notified of committee decisions on acceptance or denial to the program via email. If a student takes a semester off, a new application is not required to continue with the program; however, the cumulative 3.5 GPA requirement must be met.
4. Credits in Honors courses (notated with the prefix "HP") are above and beyond degree requirements listed in the College catalog. However, the course grades are factored into student GPA calculations.
5. Students must maintain a 3.5 GPA and an "A" or "B" in all Honors courses ([HP 301](#), [HP 302](#), [HP 303](#)) to remain in the program.

Benefits of the Honors Program

Students who participate in this program develop skills and knowledge that lead to career opportunities, engaging participation in community issues, and overall life-long learning.

- Completion of the Honors Program is notated on the student's official college transcript.
- Honors Program graduates are recognized in an end-of-year ceremony and at graduation.
- Honors Program students receive free membership into the National Collegiate Honors Council, which can lead to additional learning opportunities and scholarships.
- Graduates are often selected for transfer scholarships based upon their participation in the Honors Program.

PRESIDENT'S LIST

The President's List is comprised of all students who have a semester average of 3.80 or better, with the exception of those who have failures, unresolved incompletes, equivalent credit courses, or have earned less than twelve credits in that semester. The President's List is determined at the end of each semester and is entered on the student's permanent record. Remedial courses do not count toward the number of hours needed to qualify for the President's List.

Satisfactory Academic Progress (SAP) is based on a student's cumulative academic record and is thus distinct and separate from Academic Honors (i.e. a student can be on the academic honors list and failing to make satisfactory academic progress).

Part-time students will be eligible for President's List honors if they:

- have accumulated 15, 30, 45, and/or 60 earned credit hours in residence; as a part time student;
- have a minimum cumulative and semester grade point average of 3.80 or higher in the semester that they earn 15, 30, 45 or 60 hours; and
- did not have failures or unresolved incomplete (I) grade during the period.

DEAN'S LIST

The Dean's List is comprised of all students who have a semester average of 3.25 to 3.79, with the exception of those who have failures, unresolved incompletes, or have earned less than twelve credits in that semester. The Dean's List is determined at the end of each semester and is entered on the student's permanent record. Remedial courses do not count toward the number of hours needed to qualify for the Dean's List.

Satisfactory Academic Progress (SAP) is based on a student's cumulative academic record and is thus distinct and separate from Academic Honors (i.e. a student can be on the academic honors list and failing to make satisfactory academic progress)

- have a minimum cumulative and semester grade point average of 3.25 to 3.79 in the semester that they earn 15, 30, 45 or 60 hours; and
- did not have failures or unresolved incomplete (I) grade during the period.

Note: Remedial courses do not count toward the number of hours needed to qualify for the President's and Dean's Lists.

ATTENDANCE

To maintain high quality academic work, regular attendance at class is necessary. Absence from class is considered a serious matter and never excuses a student from class work. After reviewing the student's justification, the instructor may give the student the opportunity to make up the work missed; however, this decision is at the instructor's discretion. A college-wide attendance policy empowers a faculty member to administratively withdraw a student who has missed 20% of the class meetings in a course.

ABSENCE DUE TO RELIGIOUS BELIEFS

New York State Education Law, §224-a requires that this community college offer equivalent opportunities to students to make up registration, study, or work requirements missed relating to their inability to attend because of religious beliefs. The following apply only to students who are unable, because of religious beliefs, to attend classes on certain days:

1. No person shall be expelled from or be refused admission as a student to Herkimer College for the reason that they are unable, because of their religious beliefs, to attend classes or to participate in any examination study or work requirements on a particular day or days.
2. Any student in attendance at Herkimer College who is unable, because of their religious beliefs, to attend classes on a particular day or days shall, because of such absence on the particular day or days, be excused from any examination or any study or work requirements.

3. It shall be the responsibility of the faculty and of the administrative officials of each institution of higher education to make available to each student who is absent from school because of their religious beliefs, an equivalent opportunity to make up any examination, study or work requirements which they may have missed because of such absence on any particular day or days. No fees of any kind shall be charged by the institution for making available to the said student such equivalent opportunity.
4. If classes, examinations, study or work requirements are held on Friday after 4:00pm or on Saturday, similar or make up classes, examinations, study or work requirements shall be made available on other days where it is possible and practical to do so. No special fees shall be charged to the student for these classes, examinations, study or work requirements held on other days.
5. In effectuating the provisions of this section, it shall be duty of the faculty and the administrative officials of each institution of higher education to exercise the fullest measure of good faith. No adverse or prejudicial effects shall result to any student because of their availing themselves of the provision of this section.
6. Any student who is aggrieved by the alleged failure of any faculty or administrative official to comply in good faith with the provisions of this section, shall be entitled to maintain an action or proceeding in the Supreme Court of the County in which such institution of higher education is located for the enforcement of their rights under this section.
7. A copy of this section shall be published by each institution of higher education in the catalog of such institution containing the listing of available courses.
8. As used in this section, the term "institution of higher education" shall mean schools under the control of the Board of Trustees of the State University of New York or the Board of Higher Education of the City of New York or of any community college.

AUDIT POLICY

A student who wishes to audit a course, on a space available basis only, must submit a Course Audit Request to the Registrar's Office. With permission of the instructor, the auditor may submit assignments and written work for feedback. The final grade of "AU" (audit) will be assigned, and a record of the course being audited will appear on the student's transcript.

Students may change their status from audit to credit or vice versa during the add/drop period for the part of term during which the course is taking place. Credit for an audited course cannot be established at a later date except by enrolling in the course for credit in a subsequent semester and satisfying all course requirements at that later time.

A part-time student auditor pays full tuition and fees for the course and attends under the same regulations established for full-time student auditors.

Separate receipts for payments of a class on an audit basis are given to students who are also registered in a class/classes for credit. This eliminates the problem of a person registered for nine credit hours and three audit hours becoming classified as a full-time student.

Senior Adult Auditors:

The State Education Law has been amended to add that tuition may be waived for persons 60 years of age and older at community colleges who wish to audit credit courses. Applicants must be New York State residents. Course fees and other supply costs may still apply. Guidelines for senior audit auditors are the same as those established for full-time student auditors in credit classes where space is available, as determined by the institution. Auditing is limited to credit courses.

A student who meets the age and residency requirements and wishes to audit a course must submit a Senior Adult Audit Course Request to the Registrar's Office.

CHANGE OF COURSE/CURRICULUM

Students may drop/add courses for any given term as per the schedule posted by the Registrar's Office. Students may add courses providing space permits. Schedule changes are initiated with the student's assigned academic advisor. Following the official time period for dropping and adding a class, a student may withdraw from a course. This will be noted on an official transcript. Students who do not formally withdraw in the Registrar's Office will be carried on class rosters and will receive a failing grade for all assignments and tests not completed. The last date to withdraw formally from a course is the end of the tenth week of classes, or the equivalent time period (67%), in the

case of a course of shorter duration than a full semester. Any adjustments in charges will be based on the date the schedule changes are completed.

Students wishing a change of curriculum (major) must complete the appropriate form obtained from the Advisement Center. Students may only request to change their curriculum for the current semester until the census date. Students may request curriculum changes after this point, but, they will not go into effect until the following term.

The first curriculum change is free, all changes after are \$25

COURSE OVERLOADS

An overload is defined as a course a student wishes to take above and beyond 18 credits in a given semester. Physical Education activities (one credit courses) are an exception and do not need to follow the guidelines. Course overloads are initiated with the student's assigned faculty advisor.

The following criteria are used in determining approval for an overload:

1. Overloads are the exception and not the norm.
2. The student should have a GPA of 3.25 or higher in coursework completed at Herkimer College.
3. The student should not have withdrawn from a course in any previous semester. (The impact is to elevate GPA and indicates that the student was unable to handle the normal load during that semester.)
4. Generally, overloads are not allowed for first year students.
5. Seniors, with the approval of their dean, may overload to meet graduation requirements.
6. There is a maximum of 22 credits allowed per semester, NO EXCEPTIONS.

CREDIT BY EXAMINATION

The College may grant credit by proficiency to students whose previous training experience, or independent study has provided them with the appropriate background. See the College Catalog for specific details. Information can also be found at <https://www.herkimer.edu/campus-life/services-and-support/registrars-office/award-of-credit-by-evaluation/>

DROP/ADD/WITHDRAWAL FROM A COURSE

Students may drop/add courses for any given term as per the schedule posted by the Registrar's Office. Students may add courses providing space permits. Schedule changes are initiated with the student's assigned advisor.

Following the official time period for dropping and adding a class, a student may withdraw from a course. This will be noted on an official transcript. Students who do not formally withdraw in the Registrar's Office will be carried on class rosters and will receive a failing grade for all assignments and tests not completed. The last date to withdraw formally from a course is at the end of the tenth week of classes, or the equivalent time period (67%), in the case of a course of shorter duration than a full semester.

GRADUATION WITH HONORS/HIGH HONORS/HIGHEST HONORS

The requirements for graduation with honors include a 3.25 cumulative GPA. The requirements for graduation with high honors include a 3.80 cumulative GPA. The requirements for graduation with highest honors include a 4.0 cumulative GPA. This designation requires a minimum of thirty semester hours earned at Herkimer College.

INCOMPLETES

If a student has encountered serious extenuating circumstances that interfere with his/her ability to complete course requirements, the student may request an incomplete from the faculty member. The student must submit the request, which explains the circumstances, in writing to the faculty member.

To be eligible for an incomplete, the student must discuss the extenuating circumstances with the faculty member before the last day of class, so that the determination to award an incomplete can be made by the time grades are submitted.

For full semester, winter mini and summer classes, the student must complete and submit all work to the instructor within 45 calendar days from the end of the final exam period for the relevant semester. For courses ending before the end of the semester, the deadline is 45 calendar days after the last day of the class.

MATRICULATION

Matriculation refers to a full-time or part-time student who has successfully satisfied all admission requirements and is officially accepted into a degree or certificate program through the Admissions Office. A full-time matriculated student meets the above-mentioned criteria and registers for 12 or more credit hours. A part-time matriculated student meets the above-mentioned criteria and registers for less than 12 credit hours.

PHYSICAL EDUCATION REQUIREMENT

Two credits of physical education activity courses, in two different activities, are required for students in all degree programs. One credit may be granted for participation in a varsity sport as long as the sport and activity are different. Students who complete their program entirely online may take either HE 130 or HE 121 to satisfy the physical education requirement.

Students may be exempted from required physical education activity courses for certified medical reasons. Documentation from your doctor, stating the specific reason for the exemption and the period of time it covers, must be provided to the Dean of Students Office at least one (1) year prior to the anticipated graduation date. In such cases, a minimum of two credits in a non-activity physical education or health course must be completed.

Military veterans may have earned credit and should contact the Registrar.

Guidelines for Granting Physical Education Credit for Participation in an Intercollegiate Sport:

1. Students successfully completing an intercollegiate sport shall receive one (1) credit toward their P.E. activity graduation requirement.
2. Maximum credit to be earned in this manner is one (1).
3. Coaches will be responsible for reporting to the Registrar which students have successfully completed the sport and have earned the credit.
4. Team managers will not be eligible for receiving physical education activity credit.
5. Students may receive transfer credit in the following situations:
 - a. Varsity sport appears on transcript for two (2) credits. Only one (1) credit may be awarded.
 - b. Varsity sport on transcript for zero (0) credits with proper documentation from sending institution. One (1) credit may be awarded.
 - c. Varsity sport not on transcript. If student can provide written documentation from sending institution, student may be awarded one (1) credit.

SEMESTER GRADES

At the end of each semester, final grades are available through Student Online Services (www.herkimer.edu/sos). These grades are part of the student's permanent record.

TRANSPORTATION TO FIELD EXPERIENCES

Students in some programs may be required to participate in field experiences arranged by the College in local schools, hospitals, social agencies and business establishments. Each student is responsible for arranging and paying for their own transportation to scheduled off-campus experiences.

WITHDRAWAL FROM THE COLLEGE

The last day to withdraw from full-term classes is determined by the College Registrar and is published in the academic calendar. Withdrawing from college can impact your financial aid. Students receiving federal financial aid (Title IV Financial Aid), which includes Pell Grants, Supplemental Education Opportunity Grant (SEOG), Subsidized and Unsubsidized Direct Student Loans, or PLUS (parent) loans are required to attend past the 60% point in the term. For a standard 15-week term, this corresponds to attending up until just prior to the last date to withdraw for a semester. It is important that students are actually attending classes to earn 100% of their financial aid. Being on campus participating in nonacademic activities does not constitute attendance.

Students who wish to withdraw from ALL classes at Herkimer College during the semester must follow the formal withdrawal procedure.

1. Complete the Herkimer College Withdrawal Form by downloading here or obtaining from the Student Accounts Office or Registrar's Office.
2. Return the withdrawal form to the Student Accounts Office.

3. You will be referred to all relevant offices for required signatures and receive appropriate counseling from those offices.
4. The Registrar will certify the Withdrawal Form. The official date of withdrawal will be the date which the Registrar certifies the form.
5. Your withdrawal form will be reviewed by the Student Accounts Office, and Registrar's Office. Once the withdrawal is processed, the Student Accounts Office receives notification and begins the process of Return of Title IV funds.
6. You will receive a letter from the Student Accounts Office which will notify you of the impact of the Title IV recalculation. You are required to follow up with the Student Accounts Office to make sure any balance due to Herkimer College is paid so that future registration is not slowed down, late fees do not accrue on your account, and to prevent your account from being referred to a collection agency.

If you do not follow this procedure, you will remain enrolled and will receive failing grades for all courses in which work is not completed. Mere absence from classes does not constitute withdrawal.

The last day to formally withdraw from Herkimer College and receive "W" grades is the end of the tenth week of classes, or the equivalent time period (67%), in the case of a course of shorter duration than a full semester.

A partial refund of tuition and fees can be made once the withdrawal has been certified by the Registrar.

A hold will be placed on the student records until the College determines that all student financial obligations have been met. Students receiving federal and/or state financial aid may be subject to reductions in financial aid based on the last date of attendance and adjusted tuition amounts (when appropriate). See below for more information on the effects of withdrawing from college on your financial aid and for information regarding refunds of tuition.

WITHDRAWAL FOR EMERGENCY ACTIVE DUTY

In the event of a national emergency, students may have responsibilities which supersede their academic obligations to the College. Having produced written proof of such assignment or duty to the Dean of Students, and with the expressed approval of the Provost, each student will be provided with options for withdrawal.

WITHDRAWAL FOR MEDICAL REASONS

A medical withdrawal is a withdrawal that may be granted retroactively due to a substantiated medical issue for an individual registered student or family member. Students have up to one year from the end of the term to request a medical withdrawal.

Students seeking a medical withdrawal for either a medical or psychological concern must provide written medical documentation from the treating licensed healthcare professional along with the Herkimer College Medical Withdrawal Form.

Documentation should be submitted to the Registrar, must be legible, on original letterhead, and must include:

- Medical/psychological diagnosis
- Date(s) of treatment including onset
- Treatment plan (current and ongoing) including medication, referrals, etc.
- Opinion as to the student's ability to successfully return to college-related activities: academic work, residential life (if applicable), etc.
- Date and signature of the licensed healthcare professional

The medical documentation will be reviewed and a recommendation to either support or deny the medical withdrawal will be provided to the Registrar and student.

All medical documentation is confidential and will only be shared with the student's written permission. The medical documentation will be retained in the student's file by the Dean of Students.

Herkimer College makes every effort to accommodate requests for medical withdrawal, however, submission of medical documentation does not guarantee approval.

Students who are approved for a medical withdrawal are still liable for incurred charges and may be subject to reductions in financial aid based upon their last date of attendance. Medical withdrawal will still affect future Satisfactory Academic Progress Standing (SAP).

SECTION IV: RULES AND REGULATIONS

MAINTENANCE OF PUBLIC ORDER AT HERKIMER COLLEGE

Statement of Purpose: The following rules have been adopted by the Herkimer College Board of Trustees and are in compliance with Section 6450 of the Education law (filed with the Commissioner of Education and the Board of Regents on or before July 20, 1969, as required by that Section). The authority for the administration of regulations at the College shall rest with the College's chief administrative officer.

The concepts of academic freedom and an open exchange of ideas are essential to the mission of any educational institution. Herkimer College is committed to these ideals, and as a public institution is legally obligated to protect its members' First Amendment right of freedom of expression. Respect for this right requires that members of the College tolerate the expression of views that are contrary to their own, and recognize that the expression of ideas that are intolerant, bigoted or deeply offensive are entitled to First Amendment protection. Equally important, however, is the understanding that free expression carries with it the responsibility of civility and respect for others. The College views conduct intended to disparage or demean others as contrary to the pursuit of knowledge and rational discourse.

CRIME STATISTICS AVAILABILITY (CLERY ACT)

A copy of Herkimer College's campus crime statistics as reported annually to the U.S. Department of Education will be provided upon request by the Director of Campus Safety. Please direct all such requests to the Office of the Director of Campus Safety at 315.866.0300 ext. 8336. Information can also be obtained from the U.S. Department of Education website at <http://ope.ed.gov/security/> or by going to the Campus Safety section of the Herkimer College website at <http://www.herkimer.edu/safety/> and clicking on the Security and Fire Safety Report page.

TIMELY WARNINGS

In the event that an emergency situation arises, either on or off campus that, in the judgment of the President, Dean of Students/Director of Athletics or Director of Campus safety, constitutes an ongoing or continuing threat, a campus wide "Timely Warning" will be issued. The warning will be issued through the NY Alert System, College e-mail system and website to students, faculty and staff, and will be posted on campus and in the campus residence halls as is appropriate.

Procedures for Shelter in Place

When an imminent threat to the safety of the campus community exists, the Disaster Coordinator (Director of Campus Safety) will activate a Shelter in Place directive. The order will be given with a **SEVERE (Red)** or **MODERATE (Blue)** level. The level of shelter in place may change as the situation changes.

The instructions for each level of Shelter in Place are as follows:

Severe (Code Red)

Communicated with NY-Alert and Campus Siren

- You should immediately lock yourself and any other uninvolved persons in a classroom or office. If possible, cover windows or openings that have direct line of sight into the room. Phones should be set to silent so an intruder will not hear your phone, but you can still receive NY-Alert messages.
- Do not sound the fire alarm as this can place occupants in harm's way during an evacuation.
- Call 911 with any information that may be useful to responders (if you can).
- Try to remain as calm as possible.
- If you are outside, stay out of open areas and be quiet.

Moderate (Code Blue)

Communicated with NY-Alert

- You may move around within the buildings, but do not go outside. If you need to move between buildings, use the indoor connecting corridors.
- Do not sound the fire alarm as this can place others in harm's way during an evacuation.
- Call 911 with any information that may be useful to responders.
- Try to remain as calm as possible.
- If you are outside, try to get inside a building as quickly as possible.

Please note that in some cases, such as a tornado, you may be directed to evacuate classrooms and offices with windows and shelter in place in hallways, closets and other interior spaces away from windows.

BIAS CRIMES PREVENTION - HATE CRIMES AND THE LAW

It is Herkimer College's mandate to protect all members of the Herkimer College Community by preventing and prosecuting bias or hate crimes that occur within the campus' jurisdiction.

Hate crimes, also called bias crimes or bias-related crimes, are criminal activity motivated by the perpetrator's bias or attitude against an individual victim or group based on perceived or actual personal characteristics, such as their race, religion, ethnicity, gender, sexual orientation or disability. Hate/bias crimes have received renewed attention, particularly since the passage of the federal Hate/Bias Crime Reporting Act of 1990 and the New York State Hate Crimes Act of 2000 (Penal Law Article 485). Copies of the New York law are available from Campus Safety.

Penalties for bias-related crimes are very serious and range from fines to imprisonment for lengthy periods, depending on the nature of the underlying criminal offence, the use of violence or previous convictions of the offender. Perpetrators who are students will also be subject to campus disciplinary procedure where sanctions including dismissal are possible.

In addition to preventing and prosecuting hate/bias crimes, Herkimer College Campus Safety also assists in addressing bias-related activities that do not rise to the level of a crime. These activities, referred to as bias incidents and defined by the College as acts of bigotry, harassment, or intimidation directed at a member or group within the Herkimer College community based on national origin, ethnicity, race, age, religion, gender, sexual orientation, disability, veteran status, color, creed, or marital status, may be addressed through the College's Complaint Procedure or the campus conduct code. Bias incidents can be reported to Campus Safety as well as to Human Resources.

If you are a victim of, or witness to, a hate/bias crime on campus, report it to Campus Safety by calling 911 in an emergency, using a Blue Light or other campus emergency telephone, calling 315.866.0300, ext. 8616 or stopping by CA 138. Campus Safety will investigate and follow the appropriate adjudication procedures.

Victims of bias crime or bias incidents can avail themselves of counseling and support services from the campus by contacting the Counseling Center at 315.866.0300, ext. 8239 or in CA 136.

For general information on Herkimer College security procedures, see www.herkimer.edu or call 315.866.0300, ext. 8616. More information about bias-related and bias crimes, including up-to-date statistics on bias crimes, is available from the Office of the Dean of Students/Director of Athletics in CA 264.

SEXUAL VIOLENCE PREVENTION AND RESPONSE POLICY - SEXUAL ASSAULT AND THE LAW

Herkimer College has programs in place to protect all members of the Herkimer College community from sexual assault, including programs for prevention and prosecution of these crimes that occur within the jurisdiction of Herkimer College Campus Safety. Herkimer College does not condone any type of sexual activity without proper consent. As defined, CONSENT is clear, unambiguous and voluntary agreement between the participants to engage in specific sexual activities.

NYS Law contains the following legal provisions defining the crimes related to sexual assault:

Section 130.20 - Sexual Misconduct. This offense includes sexual intercourse without consent and deviate sexual intercourse without consent. The penalty for violation of this section includes imprisonment for a definite period to be fixed by the court up to one year.

Section 130.25/30/35 - Rape. This series of offenses includes sexual intercourse with a person incapable of consent because of the use of forcible compulsion or because the person is incapable of consent due to a mental defect, mental incapacity, or physical helplessness. This series of offenses further includes sexual intercourse with a person under the age of consent. The penalties for violation of these sections range from imprisonment for a period not to exceed four years up to imprisonment for a period not to exceed 25 years.

Section 130.40/45/50 - Criminal Sexual Act. This series of offenses includes oral or anal sexual conduct with a person incapable of consent because of the use of forcible compulsion or because the person is incapable of consent due to a mental defect, mental incapacity, or physical helplessness. This series of offenses further includes oral or anal sexual conduct with a person under the age of consent. The penalties

for violation of these sections range from imprisonment for a period not to exceed four years up to imprisonment for a period not to exceed 25 years.

Section 130.52 - Forcible Touching. This offense involves the forcible touching of the sexual or other intimate parts of another person for the purpose of degrading or abusing such person; or for the purpose of gratifying the actor's sexual desire. Forcible touching includes the squeezing, grabbing, or pinching of such other person's sexual or other intimate parts. The penalty for violation of this section includes imprisonment for a period of up to one year in jail.

Section 130.55/60/65 - Sexual Abuse. This series of offenses includes sexual contact with a person by forcible compulsion or with a person who is incapable of consent due to physical helplessness, or due to the person being under the age of consent. The penalties for violation of these sections range from imprisonment for a period not to exceed three months up to imprisonment for a period not to exceed seven years.

Section 130.65-a/66/67/70 - Aggravated Sexual Abuse. This series of offenses occurs when a person inserts a finger or a foreign object into the vagina, urethra, penis or rectum of another person by forcible compulsion, when the other person is incapable of consent by reason of being physically helpless, or when the other person is under the age of consent. The level of this offense is enhanced if the insertion of a finger or foreign object causes injury to the other person. The penalties for violation of these sections range from imprisonment for a period not to exceed seven years up to imprisonment for a period not to exceed 25 years.

AFFIRMATIVE CONSENT

In order for individuals to engage in sexual activity of any type with each other, there must be clear affirmative consent. Whenever the term consent is used in this policy, it should be understood to mean affirmative consent as defined here. Affirmative consent is a knowing, voluntary, and mutual decision among all participants to engage in sexual activity. Consent can be given by word or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of affirmative consent does not vary based upon a participant's sex, sexual orientation, gender identity, or gender expression. Under this policy, "No" always means "No". At the same time, silence, or the absence of an explicit "No", cannot be assumed to indicate consent.

Consent to some form of sexual activity cannot be automatically taken as consent to any other sexual activity. Past consent to sexual activity cannot be presumed to be consent to engage in the same sexual activity in the future. Consent can be withdrawn at any time by expressing in words or actions that the individual no longer wants the sexual activity to continue and, if that happens, the other person must stop immediately.

Affirmative consent cannot be obtained by use of physical force, compelling threats, intimidating behavior, or coercion. Coerced sexual activity violates this policy just as much as physically forced sex violates this policy. Coercion happens when someone unreasonably pressures someone else for sex.

Certain conditions prevent a person from being able to consent. Consent cannot be given by a person if the following conditions or influences exist:

- **Incapacitation:** Incapacitation occurs when an individual lacks the ability to knowingly choose to participate in sexual activity. Incapacitation may be caused by the lack of consciousness, mental disability, being asleep, being involuntarily restrained, or if an individual otherwise cannot consent. In order to give affirmative consent one must be of legal age, which is 17 in the state of New York. Use of alcohol or other drugs does not, in and of itself, negate a person's ability to give affirmative consent. However, depending on the degree of intoxication, someone who is under the influence of alcohol or drugs or other intoxicants may be incapacitated and therefore unable to consent. A person who has been drinking or using drugs is still responsible for ensuring that the other person provides affirmative consent to engage in sexual activity. An individual's incapacity may also be caused by the taking of so-called "date rape" drugs. Possession, use, and/or distribution of any of these substances (including Rohypnol, Ketamine, GHB, Burundanga, and others) is prohibited, and administering any of these drugs to another person for the purpose of inducing one to consent to sexual activity is a violation of this policy.

- **Coercion:** Coercion is unreasonable pressure for sexual activity. The degree of pressure is such that it deprives the person of the ability to make a choice as to whether or not she or he wants to engage in sexual activity.
- Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When one person makes it clear to another that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.
- **Force:** Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes, threats, intimidation (implied threats) and coercion that overcome resistance or produce consent.
- **Predatory Drugs:** A person under the influence of predatory drugs is also considered incapacitated. Predatory drugs, also called date rape drugs, include but are not limited to GHP (gamma hydroxybutyrate), Rohypnol, and Ketamine. These are odorless, colorless drugs that can easily be slipped into a drink. They can produce disorientation, loss of inhibition, and unconsciousness, and may also cause amnesia as an aftereffect. These drugs are fast-acting and more dangerous when combined with alcohol.

POLICY FOR ALCOHOL AND/OR DRUG USE AMNESTY IN SEXUAL AND INTERPERSONAL VIOLENCE CASES

The health and safety of every student at the State University of New York and its State-operated and community colleges is of utmost importance. Herkimer College recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence occurs, including but not limited to domestic violence, dating violence, stalking, or sexual assault, may be hesitant to report such incidents due to fear of potential consequences for their own conduct. Herkimer College strongly encourages students to report incidents of domestic violence, dating violence, stalking or sexual assault to institution officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking or sexual assault to Herkimer College officials or law enforcement will not be subject to Herkimer College's code of conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking or sexual assault.

CAMPUS CLIMATE ASSESSMENT

Climate assessments afford institutions the opportunity to better understand their campus and to make informed decisions when it comes to providing a safe educational environment. During designated years, each State University of New York State-operated and community college will conduct a uniform climate survey that ascertains student experience with and knowledge of reporting and college adjudicatory processes for sexual harassment, including sexual violence, and other related crimes.

The survey will address at least the following:

- Student and employee knowledge about:
 - The Title IX Coordinator's role;
 - Campus policies and procedures addressing sexual assault;
 - How and where to report sexual violence as a victim/survivor or witness;
 - The availability of resources on and off campus, such as counseling, health, academic assistance;
 - The prevalence of victimization and perpetration of sexual assault, domestic violence, dating violence, and stalking on and off campus during a set time period (for example, the last two years);
 - Bystander attitudes and behavior;
 - Whether victims/survivors reported to the College/University and/or police, and reasons why they did or did not report;
 - The general awareness of the difference, if any, between the institution's policies and the penal law; and
 - The general awareness of the definition of affirmative consent.

Every institution shall take steps to ensure that answers remain anonymous and that no individual is identified. Results will be published on the campus website providing no personally identifiable information shall be shared.

STUDENTS' BILL OF RIGHTS

The State University of New York and Herkimer County Community College are committed to providing options, support and assistance to victims/survivors of sexual assault, domestic violence, dating violence, and/or stalking to ensure that they can continue to participate in College-wide and campus programs, activities, and employment. SEXUAL VIOLENCE RESPONSE POLICY

The State University of New York and Herkimer County Community College wants you to get the information and support you need regardless of whether you would like to move forward with a report of sexual violence to campus officials or to police. You may want to talk with someone about something you observed or experienced, even if you are not sure that the behavior constitutes sexual violence. A conversation where questions can be answered is far superior to keeping something to yourself. In accordance with the Students' Bill of Rights, reporting individuals shall have the right to pursue more than one of the options below at the same time, or choose not to participate in any of the options below:

REPORTING:

- To disclose confidentially the incident to a college or community official, who by law may maintain confidentiality, and can assist in obtaining services:

- Throughout conduct proceedings, the respondent and the reporting individual will have:

 - The right to receive advance written or electronic notice of the date, time and location of any meeting or hearing they are required to or are eligible to attend. Accused individuals will also be told the factual allegations concerning the violation, a reference to the specific code of conduct provisions alleged to have been violated, and possible sanctions.

 - The right to make an impact statement during the point of the proceeding where the hearing officer is deliberating on appropriate sanctions.

 - The right to choose whether to disclose or discuss the outcome of a conduct hearing.
 - The right to have all information obtained during the course of the conduct or judicial process to be protected from public release until the appeals panel makes a final determination unless otherwise required by law.

- In student disciplinary proceedings involving domestic violence, dating violence, stalking, or sexual violence, the campus will allow parties to review available evidence held by the campus in accordance with college/university policy. Parties can also present available evidence as appropriate under campus policies.

For crimes of violence, including, but not limited to sexual violence, defined as crimes that meet the reporting requirements pursuant to the Federal Clery Act established in 20 U.S.S. 1092(f)(1)(F)(i)(I)-(VIII), institutions shall make a notation on the transcript of students found responsible after a conduct process that they were “suspended after a finding of responsibility for a code of conduct violation” or “expelled after a finding of responsibility for a code of conduct violation”. For the respondent who withdraws from the institution while such conduct charges are pending and declines to complete the disciplinary process, institutions shall make a notation on the transcript of such students that they “withdrew with conduct charges pending”. Each institution shall publish a policy on transcript notations and appeals seeking removal of a transcript notation for a suspension, provided that such notation shall not be removed prior to one year after conclusion of the suspension, while notations for expulsion shall not be removed. If a finding of responsibility is vacated for any reason, any such transcript notation shall be removed.

SEXUAL DISCRIMINATION AND SEXUAL HARASSMENT (TITLE IX)

“No person in the United States shall, on basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity receiving federal financial assistance”. - Title IX of the Educational Amendments of 1972 to the 1964 Civil Rights Act.

In accordance with federal and state laws and regulations, Herkimer College prohibits discrimination and harassment on the basis of race, color, national origin, political beliefs, age, religion, sex, gender identity, sexual orientation, marital status, military status, predisposing genetic characteristics, or disability, including pregnancy, in acceptance for and/or provision of services, employment, and access to services, programs and activities.

ATHLETIC EQUALITY

Title IX governs the overall equality of opportunity and treatment in athletic programs while giving flexibility to choose sports based on student interest, geographic influences, budget restraints, and gender ratio. Herkimer College’s primary goal is to have equal opportunity for men and women to participate in intercollegiate and recreational programs.

ADDITIONAL DISCRIMINATION

The most common applications of the Title IX law apply to Athletic Equality and Sexual Harassment. Title IX also applies to admissions, financial aid, academic matters, career services, counseling services, medical services, and all other programs and services available to Herkimer College students.

SEXUAL HARASSMENT

The Equal Employment Opportunity Commission has amended its Guidelines on Discrimination Because of Sex, in order to clarify its position on the issue of sexual harassment, an unlawful employment practice.

1. “The guidelines define sexual harassment as: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:
2. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment,
3. Submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or

4. Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment."
5. Though the guidelines are based on Title VII and apply only to sexual harassment in the workplace, consistent with SUNY's policy to ensure fair treatment to all individuals, protection for students is to be provided by these same guidelines.
6. Herkimer College has an existing formal grievance procedure for the benefit of its employees and students. The grievance procedure will be used for the review of any allegations an employee or student may have against another employee or student of Herkimer College.

COMPLAINT/GRIEVANCE PROCEDURE

A grievance may be filed for ANY unlawful discrimination against someone in regard to race, color, national origin, religion, age, sex, disability or marital status, political beliefs, gender identity, sexual orientation, military status, predisposing genetic characteristics, or disability, including pregnancy. A formal complaint may be filed with a Campus Title IX Compliance Officer.

Each student of Herkimer College has an obligation to report discrimination and prohibited sexual harassment to an appropriate College official. Any student who believes he/she is the victim of discrimination or prohibited harassment should report it to a Campus Title IX Compliance Officer or any other faculty or staff member with whom he/she feels most comfortable.

All inquiries, complaints, grievances, and investigations are treated with sensitivity seriousness, and confidentiality. Only when required by law or when there is an issue of safety will confidential information be shared with the appropriate individuals without the complainant's knowledge.

Herkimer College Campus Title IX Compliance Officers review, update, and implement current Title IX policies. They coordinate training and resources in order to ensure effective and timely responses to complaints, misconduct, discrimination, and/or harassment.

- For cases involving students (complaints between students), complaints should be filed with the Director of Student Activities.

Faculty or staff members who receive a complaint from a student must immediately inform a designated Campus Title IX Compliance Officer.

Step 2: If the resolution is unsatisfactory, a complaint can be made by completing the Student Complaint Form located at www.herkimer.edu/complaint, selecting Student Life as complaint area.

FORMAL RESOLUTION (COMPLAINTS BETWEEN STUDENTS)

Once a complaint of discrimination or prohibited harassment has been made, either in writing or orally, or observed discrimination or harassment has been reported, the designated Campus Title IX Compliance Officer (Director of Student Activities) will have 14 calendar days to investigate the complaint and communicate in writing a response to the grievant and the individual alleged to have committed the act, describing any actions that will be taken to redress the issue. While the investigation is being conducted, appropriate immediate steps to end the alleged discrimination and/or harassment will be taken. The Director of Student Activities then has the discretion of mediating the complaint, sending the case to an Administrative Hearing, or sending the case to the Judicial Review Board. The Director of Student Activities shall then be obligated to communicate in writing his/her decision to the grievant and the individual alleged to have committed the act, within 14 calendar days after receiving the grievant's complaint.

FORMAL RESOLUTION (COMPLAINTS BETWEEN EMPLOYEES &/OR BETWEEN EMPLOYEE AND STUDENT)

Once a complaint of discrimination or prohibited harassment has been made, either in writing or orally, observed discrimination or harassment has been reported, the designated Campus Title IX Compliance Officer (Director of Human Resources) will have 14 calendar days to investigate the complaint and communicate in writing a response to the grievant and the individual alleged to have committed the act, describing any actions that will be taken to redress the issue. APPEAL PROCESS

If the grievance has not been satisfactorily resolved by formal resolution, the grievant may then appeal the decision to the President of Herkimer College within 14 calendar days after receiving the decision rendered. The President shall then be obliged to give the grievant a hearing within 14 calendar days of the receipt of the appeal.

The grievant and the individual alleged to have committed the act shall be notified in writing of the hearing at least seven (7) calendar days prior to the date set for such a hearing. At the hearing, the grievant and/or their representative, and the individual alleged to have committed the act and their representative, may appear and present oral and/or written statements either directly or through witnesses. The President shall then be obliged to communicate his/her decision in writing together with her supporting reasons to the grievant and the individual alleged to have committed the act, within 14 calendar days after the completion of the hearing. The decision made as a result of an appeal to the President of the College is considered final.

Herkimer College takes complaints of discrimination and prohibited harassment with the greatest of seriousness. For that reason, any individual who is found to have engaged in conduct which violates this policy will be subject to discipline. For students, discipline may include the possibility of suspension or expulsion from the College.

The term drug” includes all controlled substances defined in section 220.00 of the New York State Penal Law and Marijuana Reform Act of 1977.

The disciplinary action may include, but is not limited to: reprimand, disciplinary probation with or without specific conditions referral to individual and/or group counseling (possibly at the student’s expense), parental notification, suspension, or expulsion. Alcohol affects every organ in the drinker’s body and can damage a developing fetus. Intoxication can impair brain function and motor skills; heavy use can increase risk of certain cancers, stroke and liver disease (November 2014).

ALCOHOL USE POLICY

No person shall possess, sell or give away alcoholic beverage in any building or on any property owned or controlled by Herkimer College, the HCC Foundation, including the HCCC Housing Corporation residence halls. Any exception needs the prior approval of the College President. Pen containers of alcoholic beverages may not be possessed on campus. Herkimer College holds person(s) responsible for their conduct at all times, including behaviors which occur while under the influence of alcohol. Persons violating these policies will be subject to disciplinary action. The disciplinary action may include, but is not limited to: reprimand, disciplinary probation with or without specific conditions, referral to individual and/or group counseling at the student’s expense, removal from residences operated by the HCC Housing Corporation, parental notification and/r suspension. ALCOHOL AND OTHER DRUG (AOD) POLICY

This policy on alcohol and other drugs governs the activity of all students, residents, and their visitors and guests. The service, distribution, sale, possession and/or consumption of alcoholic beverages or attempt thereof on the Herkimer College Campus and HCCC Housing Corporation property are **prohibited**.

Unlawful behavior involving alcohol, but **not limited to**: underage drinking; public intoxication; drinking and driving; and manufacturing and/or distributing, is **prohibited**.

The manufacture, distribution, sale, purchase, possession and/or use of any illegal drugs or controlled substances or attempts thereof, on the Herkimer College Campus and the HCCC Housing Corporation property, are **prohibited**. Persons violating these policies are subject to disciplinary action.

The disciplinary actions may include, but are **not limited to**: reprimand; disciplinary probation with or without specific conditions; referral to individual and/or group counseling at the student’s expense; parental notification; and/or suspension.

A violation of this policy shall be considered a breach of the student housing contract and a violation of the Herkimer College Student Code of Conduct. Sanctions imposed under this policy are included on the student's judicial record and do not diminish or replace the penalties available under generally applicable federal, state or local laws.

PROCEDURES FOR VIOLATIONS TO ALCOHOL AND OTHER DRUG (AOD) POLICY

An Administrative Hearing will be scheduled for any student allegedly in violation of the policies stated here. In some instances, a formal written warning can be administered. If the student is found responsible for the alleged violation, the following sanctions will be administered:

First Offense

1. Disciplinary probation until such time as the student is no longer enrolled.
2. Two mandated counseling or substance abuse education sessions.
3. Students who host large parties (10 or more people) in their on campus apartment when alcohol and other drugs are being consumed may be subject to immediate removal from campus housing.
4. Additional sanctions, if deemed necessary.
5. Failure to comply with any sanction will result in an additional violation of "Failure to Comply", thus resulting in additional sanctions being administered.
6. May make parental notification.

Second Offense

1. May be temporarily removed from College housing.
2. Mandatory participation in a second level AOD education and intervention program. Substance abuse screening by Counseling Center. If recommended, referral to outside agencies for a higher level substance abuse screening.
3. Students who host large parties (10 or more people) in their on campus apartment when alcohol and other drugs are being consumed may be subject to immediate removal from campus housing.

1. Possible suspension from classes for the remainder of the semester and/or subsequent semester.
2. Permanent removal from College housing.
3. Additional sanctions, if deemed necessary.

5. May make parental notification.

GOOD SAMARITAN POLICY

Students who seek medical attention in an alcohol and/or substance abuse related emergency should not be concerned with the potential disciplinary consequences for themselves and for the person in need of assistance.

Because the safety and security of Herkimer College students is a priority, the College has instituted a medical amnesty policy, also known as the Good Samaritan Policy.

This policy is applicable to the following parties:

- Student requesting medical assistance for one's self;
- Student requesting medical assistance for another person;
- Student for who medical assistance was provided.

When responding to such AOD violations, the College will consider the student's decision to request medical assistance as an act of good judgment, therefore not deserving of the typical range of AOD sanctions. Thus, if it is determined that the Good Samaritan Policy applies to a situation, the student(s) involved will not be subject to a violation of the AOD Policy.

This policy does not protect students who repeatedly violate college policies. Once a student receives medical amnesty, future amnesty is at the discretion of the Dean of Students/Director of Athletics. The Dean of

Students/Director of Athletics also has the discretion to determine that this policy does not apply in more serious situations including: criminal possession of drugs; property damage; violence; etc.

CODE ADMINISTRATION

The Dean of Students/Director of Athletics, or designee (e.g. Director of Campus Safety), shall administer the Student Code of Conduct and questions regarding its interpretation shall be referred to the Dean of Students/Director of Athletics, or designee. Additionally, the College may apply to the public authorities for any aid which is deemed necessary in causing the ejection of any violator of these rules. The College administration reserves the right to request the assistance of local and state law enforcement agencies and to use the powers of the courts for injunctions or other legal devices to maintain an atmosphere on the College so that its' educational purposes can be met. Violation of the Student Code of Conduct may also be a violation of law. College sanctions may be applied to an offender even though civil authorities may impose concurrent sanctions for the same violation.

HEARINGS

The Dean of Students/Director of Athletics, in consultation with the Director of Campus Safety, shall review all alleged infractions involving students and shall determine whether an Administrative Judicial Hearing or a hearing by the Judicial Review Board is appropriate. Such decisions will be based upon the circumstances and severity of each individual case. For cases that may result in expulsion from the College, that case must be heard by the Judicial Review Board.

The College may temporarily suspend a student pending a hearing if, in the Dean of Students/Director of Athletics' judgment, the student's continued presence at the College constitutes a danger to the student or others or to the College's activities or property. The student is entitled to an immediate interview with the Dean of Students/Director of Athletics to discuss the decision, and may bring counsel to the interview. An Administrative Judicial Hearing or Judicial Review Board Hearing should be convened within 10 class days of the suspension. If a student is incarcerated, and thus unable to attend a hearing, then the student will be instructed to contact the Dean of Students/Director of Athletics offices to schedule a hearing upon their release.

- a) **ADMINISTRATIVE JUDICIAL HEARING** - The Dean of Students/Director of Athletics may conduct an Administrative Judicial Hearing or appoint an Administrative Judicial Hearing Officer(s) to conduct a hearing. Possible sanctions as a result of an Administrative Judicial hearing include but are not limited to: reprimand; removal from residences operated by the HCCC Housing Corporation; restitution; disciplinary probation with or without specific conditions; deferred suspension; fines; and/or suspension from the College for a designated period of time.
- b) **JUDICIAL REVIEW BOARD HEARING** - The Judicial Review Board consists of at least 6 (six) members (made up of no more than four each students, faculty/staff or administrator) present for a hearing to be held. Board members are appointed by the President of the College. Possible sanctions include, but are not limited to reprimand, removal from residence operated by the HCCC Housing Corporation, restitution; fines; disciplinary probation with or without specific conditions/ deferred suspension; suspension; or expulsion.
- c) **Definitions and possible sanctions:**
 - 1) **REPRIMAND** is a formal discussion of the consequences of future misconduct. Reprimand does not become a matter of permanent record.
 - 2) **RESTITUTION** requires the student to reimburse the wronged party or parties for destruction, damage or misappropriate of property. Restitution may take the form of service or other compensation as well as money.
 - 3) **DISCIPLINARY PROBATION WITH OR WITHOUT SPECIFIC CONDITIONS** is for a specified period of time. If conditions are applied, such conditions would include but not be limited to: participation in any College activities; access to particular facilities and/or events; or any personal contact with specific individuals.
 - 4) **SUSPENSION** is temporary withdrawal from the College for a specified period, usually a semester or longer, after which the student may return. Suspension is recorded on the student's permanent judicial record.
 - 5) **DEFERRED SUSPENSION** is a written notice that College rules have been violated and, while the offense could result in suspension, circumstances exist that would mitigate that action. This sanction implies that any further violation of College policy may result in the suspension or expulsion of the student from the College.
 - 6) **EXPULSION** from the College is permanent. There is no opportunity for reinstatement.

- 7) Any student who is apprehended for an incident which is serious in nature and/or which is the result of the use/possession of alcohol or illegal drugs, may be subject to the following:
- Reprimand
 - Disciplinary probation with or without specific conditions
 - Referral to individual and/or group counseling at the student's expense

The following procedures apply to all disciplinary hearings:

- a) The student shall be informed of the infraction(s) they are being charged with, with sufficient particularity and in sufficient time, to ensure opportunity to prepare for the hearing.
- b) The student appearing before an Administrative Judicial Hearing Officer or before the Judicial Review Board, shall have the right to be assisted in their defense by an advisor of their choice, or be represented by an attorney. The advisor and/or attorney's role is to provide advice and not to offer testimony information and/or question any participants in the hearing. The burden of proof shall rest upon the official(s) bringing the charge(s).
- c) The student shall be given the opportunity to testify and to present evidence and witnesses. The student shall notify the Dean of Students/Director of Athletics of which person(s) they will have present at the hearing no later than 24 hours before the hearing.
- d) All matters upon which the decision may be based must be introduced into evidence at the proceedings. New evidence received during or after the hearing, but prior to a decision being rendered, could affect the outcome of the hearing. All parties will be allowed the chance to review and speak to the new evidence prior to the final decision being made. The decision shall be based solely upon such matters.

RULES OF DECORUM

Purpose of the Rules of Decorum

Title IX hearings are not civil or criminal proceedings, and are not designed to mimic formal trial proceedings. They are primarily educational in nature, and the U.S. Department of Education, writing about Title IX in the Final Rule "purposefully designed these final regulations to allow recipients to retain flexibility to adopt rules of decorum that prohibit any party advisor or decision-maker from questioning witnesses in an abusive, intimidating, or disrespectful manner." 85 Fed Reg. 002, 30319 (May 19, 2020). The Department has determined that institutions "are in a better position than the Department to craft rules of decorum best suited to their educational environment" and build a hearing process that will reassure the parties that the institution "is not throwing a party to the proverbial wolves." Id.

To achieve this purpose, institutions may provide for reasonable rules of order and decorum, which may be enforced through the removal of an advisor who refuses to comply with the rules. Id., at 30320. As the Department explains, the removal process "incentivizes a party to work with an advisor of choice in a manner that complies with a recipient's rules that govern the conduct of a hearing, and incentivizes colleges and universities to appoint advisors who also will comply with such rules, so that hearings are conducted with respect for all participant." Id.

At base, these Rules of Decorum require that all parties, advisors of choice and institutional staff, treat others who are engaged in the process with respect.

The rules and standards apply equally to all parties and their advisors regardless of sex, gender or other protected class, and regardless of whether they are in the role of complainant or respondent.

RULES OF DECORUM

1. The following Rules of Decorum are to be observed in the hearing and applied equally to all parties (meaning the complainant and respondent) and advisors:
2. Questions must be conveyed in a neutral tone
3. Parties and advisors will refer to other parties, witnesses, advisors, and institutional staff using the name and gender used by the person and shall not intentionally mis-name or mis-gender that person in communication or questioning.
4. No party may act abusively or disrespectfully during the hearing toward any other party or to witnesses, advisors, or decision-makers.

5. While an advisor may be an attorney, no duty of zealous advocacy should be inferred or enforced with this forum.
6. The advisor may not yell, scream, badger, or physically “lean in” to a party or witness’s personal space. Advisors may not approach the other party or witnesses without obtaining permission from the Hearing Officer.
7. The advisor may not use profanity or make irrelevant *ad hominem* attacks upon a party or witness. Questions are meant to be interrogative statements used to test knowledge or understand a fact; they may not include accusations within the text of the question
8. The advisor may not ask repetitive questions. This includes questions that have already been asked by the Hearing Officer or Board Members, the advisor in cross-examination, or the party or advisor in direct testimony. When the Hearing Officer determines a question has been “asked and answered” or is otherwise not relevant, the advisor must move on.
9. Parties an advisors may take no action at the hearing that a reasonable person in the shoe of the affected party would see as intended to intimidate that person (whether party, witness or official) into not participating in the process or meaningfully modifying their participation in the process.

WARNING AND REMOVAL PROCESS

The Hearing Officer shall have sole discretion to determine if the Rules of Decorum have been violated. The Hearing Officer will notify the offending person of any violation of the Rules.

Upon a second or further violation of the Rules, the Hearing Officer shall have discretion to remove the offending person or allow them to continue participating in the hearing or other part of the process.

When the Hearing Officer removes a party’s advisor, the party may select a different advisor of their choice, or accept an advisor provided by the institution for the limited purpose of cross-examination at the hearing. Reasonable delays, including the temporary adjournment of the hearing, may be anticipated should an advisor be removed. A party cannot serve as their own advisor in this circumstance.

The Hearing Officer shall document any decision to remove an advisor in the written determination regarding responsibility.

For flagrant, multiple, or continual violations of this Rule, in one or more proceedings, advisors may be prohibited from participating in future proceedings at the institution in the advisor role on a temporary or permanent basis. Evidence of violation(s) of this agreement will be gathered by the Title IX Coordinator, Director of Campus Safety, or a designee of either and presented to the Dean of Students/Director of Athletics for cases involving students; Director of Human Resources for cases involving employees/other appropriate staff member. The finding shall e issued in writing to all parties and advisors (if there is a current case pending) within 30 (thirty) days unless extended for good cause. There is no appeal of this finding. Sanctions shall be higher for intentional re-disclosure of records than for negligent re-discourse. RELEVANT QUESTIONS ASKED IN VIOLATION OF THE RULES OF DECORUM

Where an advisor asks a relevant question in a manner that violates the rules, such as yelling, screaming, badgering, or leaning-in to the witness or party’s personal space, the question may not be deemed irrelevant by the decision-maker simply because of the manner it was delivered Under that circumstance, the decision-maker will notify the advisor of the violation of the Rules, and, if the question is relevant, will allow the question to be re-asked in a respectful, non-abusive manner by the advisor (or a replacement advisor, should the advisor be removed for violation of the Rules). See, 85 Fed. Reg. 30331.

APPEAL PROCEDURE

Administrative Judicial Hearing or Judicial Review Board Hearing - the student may appeal the decision of an Administrative Judicial Hearing or from the Judicial Review Board to the Appeals Board within 5 (five) class days or 8 (eight) calendar days (whichever is shorter).
